

Resolution to be tabled at the Annual General Meeting on 30/03/2024 for the current Constitution to be Repealed and a Completely New Constitution to be presented to the members at a SGM to be convened prior to the next AGM in March 2025.

The General Committee (GC) along with the Special Constitutional Sub Committee, are unanimously of the view that the current Constitution has to be repealed completely and be replaced with a new Constitution as a stepping stone towards better governance , better transparency and financial management. In arriving at the said decision, the GC along with the said Sub Committee, have reviewed couple of Constitutions of similar top tier Social Clubs in Sri Lanka and find that the current CSC Constitution has several glaring deficiencies which curtails good governance, proper financial management and doesn't also suit the dynamics of the modern era. The current Constitution is very old and outdated.

Based on the foregoing facts, it is proposed that a top tier Law Firm in the country , either Julius & Creasy or F J & G De Saram be assigned with this task.
